

All Fives (Muggins) Scoring

free printable · dominoesgameonline.com/scoring

The rule

After a tile is played, add up the two open ends of the layout. If the total is a multiple of five, the player scores that total immediately.

What scores

OPEN ENDS	TOTAL	SCORE
5 and 0	5	5
4 and 6	10	10
5–5 double and 0	10	10
6–6 double and 3	15	15
3 and 4	7	—
6–6 double and 1	13	—

Doubles count both halves. A double turned crosswise on an end counts its whole pip value. Pagat: “[5-5] counts ten points, [6-6] counts twelve.” This is the most commonly mis-scored rule in the game.
